

December 09, 2025: Letter to Texas Space Commission 2

It's not just me - Elon Musk is a criminal spy!

Managers at two federal agencies have warned workers that DOGE may be secretly monitoring their communications, according to new reporting from The Guardian and Crooked Media. Crooked Media Correspondent Matt Berg and Crooked Media News Editor Greg Walters join Christina Ruffini after speaking to more than two dozen federal employees who shared screengrabs and emails from agency officials.

I am willing to testify to have him arrested!
